

## INFLATABLES

1131/1135

## Stearns Ultra Inflatable PFD

European design and technology in a lightweight inflatable life-jacket. Inflatable PFD provides high performance and reliability.

- Lightweight and comfortable.
- Minimum 22.5 lbs. (100 Newtons) of buoyancy when inflated (similar to Type I USCG performance).
- Manual and oral inflation methods.
- Tri-fold design for quick and easy repacking.
- **1135 has automatic, manual and oral inflation.**

**Sizes:** Adult Universal (80 lbs. and over, 16 years and older)  
**Color:** International Orange, Blue, Forest Green (Yellow Inflatable Chamber)

**Approval:** USCG Type III Inflatable PFD

1139/1141

## Stearns Ultra Inflatable PFD

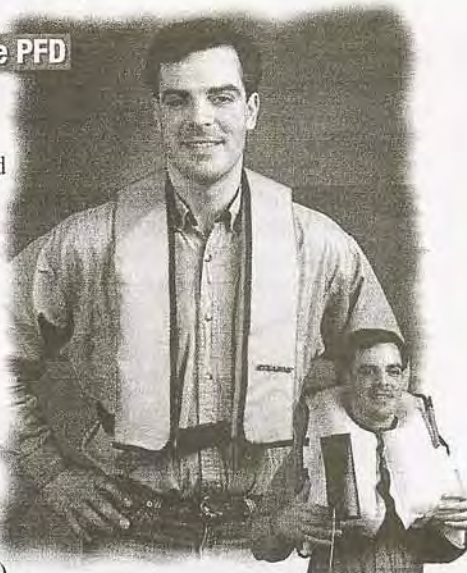

High performance inflatable life vest providing maximum "free board" and quick turning time. Designed for ultimate comfort and mobility. Includes reflective tape.

- Minimum 35 lbs. (150 Newtons) of buoyancy when inflated (similar to Type I SOLAS performance).
- Automatic, manual and oral inflation methods.
- Tri-fold design for quick and easy repacking.
- Optional harness version available (Model 1142).
- **1139 has manual and oral inflation only.**

**Sizes:** Adult Universal (80 lbs. and over, 16 years and older)

**Color:** International Orange, Blue (Yellow Inflatable Chamber)

**Approval:** USCG Type III Inflatable PFD

I444

## Inflatable Aviator's Vest

Designed for bush pilots and over water flyers. Multi-pocket, easy-to-wear vest becomes a personal flotation device by pulling rip cord. CO<sub>2</sub> inflatable chamber is made of polyurethane-coated nylon.

- Outer shell of oxford nylon.
- Rustproof Vislon® zipper, adjustable waist belt.
- Minimum 22.5 lbs. (100 Newtons) of buoyancy.
- Four pockets for survival equipment storage.
- I443 made with Nomex® fire retardant outer shell.

**Sizes:** S, M, L, XL, XXL, XXXL  
**Color:** International Orange, (Forest Green, Tan - Identified as model 4444)

**Approval:** USCG Type III Inflatable PFD

367/368

## Inflata-Belt™

This inflatable is the answer when freedom of movement is essential. Carried on a waist belt, vest automatically inflates in the water. Yoke-type design provides positive turning movement. Has manual and oral inflation override. Stored in a durable nylon pouch.

- Polyurethane-coated nylon inflatable chamber.
- Minimum 22.5 lbs. (100 Newtons) of buoyancy (similar to Type I performance).
- **367 has manual and oral inflation only.**

**Sizes:** Adult Universal  
**Color:** International Orange, Red, Blue, Forest Green (Yellow Inflatable Chamber)

**Approval:** USCG Type III Inflatable PFD

I014

## Man Overboard® Life Ring

Inflatable ring buoy throws like a baseball, inflates automatically in less than 5 seconds. Reusable break-away pouch.

- Automatic water activated CO<sub>2</sub> inflation.
- Strong nylon retrieval harness.
- SOLAS-grade reflective tape.

**Sizes:** Adult Universal  
**Color:** International Orange (Not USCG Approved)

901/905/906/907/908/911/913

CO<sub>2</sub> Inflatable Re-Arming Kits

**901 Kit:** Replacement Kit for I014 (16 grams). Contains 3 - CO<sub>2</sub> cartridges, 3 bobbins, 3 locking pins.

**905 Kit:** Replacement Kit for 367, 1131, 1443, and 1444 (25 grams). Contains 3 - CO<sub>2</sub> cartridges, 1 locking pins.

**906 Kit:** Replacement Kit for 367, 1131, 1443, and 1444 (25 grams). Contains 3 - CO<sub>2</sub> cartridges, 3 locking pins.

**907 Kit:** Replacement Kit for 368 and 1135 (25 grams). Contains 3 - CO<sub>2</sub> cartridges, 3 bobbins, 3 locking pins.

**908 Kit:** Replacement Kit for 1141 (33 grams). Contains 2 - CO<sub>2</sub> cartridges, 3 bobbins, 3 locking pins.

**911 Kit:** Replacement Kit for 1139 (33 grams). Contains 1 - CO<sub>2</sub> cartridges, 2 locking pins.

**913 Kit:** Replacement Kit for 1138,

1139 (33 grams). Contains 2 - CO<sub>2</sub> cartridges, 3 locking pins.
